

**Those three little words
you're longing to hear.**

Free. Free. Reduced.

(Two out of three isn't bad.)

Introducing **COMDEX Innovation Forums**

Free. The Forums are half-day workshops led by the industry's foremost thinkers, diving into the latest in information technology and communications.

Free. The first 25 people who register* for each event receive a free copy of David Moschella's new book, *Customer-Driven IT: How Users Are Shaping Technology Industry Growth*.

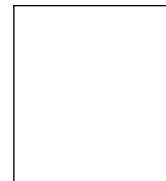

Reduced. Save some time at the Forum, save some money on Comdex. Everyone who attends this Forum receives 15% off their COMDEX Fall 2003 FlexPass.

Join us

Chicago, IL • May 20, 2003 • Nanotechnology

This free workshop consists of individual presentations covering nano-materials, nano-biology, nano-electronics, and nano-ethics, and includes a discussion with a panel of nanotechnology professionals. Time will also be allotted for Q&A sessions. The morning will be hosted by forum partners Darcy Evon, Founder, President & CEO, i-Street, Inc. and Nik Rokop, Co-Founder, Chicago Microtechnology/Nanotechnology Community.

Hotel InterContinental Chicago
505 North Michigan Avenue
Chicago, IL 60611-3807

**You go to COMDEX to find out what's new.
go to COMDEX Innovation Forums to find out first.**

Register today at www.comdex.com/forums using the priority code from the address label. This code is required to secure your space at the Forum.

**Must be present to receive book.*
